Your Old Furniture Furnishes a New Home!

There's no project too big for the Chicago Furniture Bank! We take all of your unwanted residence hall furniture. Our nonprofit can **save your university money, reduces landfill usage, and helps families in need.**

What We Do:

The CFB is the largest furniture bank in the country. We service three states, furnishing approximately **3,500 homes per year for families transitioning out of homelessness.**

- The CFB offers full project management for all your decommissioning requirements.
- We can also simply send trucks anywhere around the country to pick up all unwanted furniture.

Landfills can charge \$35+ for each bed thrown away!

Do some good with your old furniture instead.

"We believe everyone should be able to sleep in a bed, share a family meal at a kitchen table, and **enjoy the comfort of a furnished home.**"
